Daily Movement Sheet

Condensed Version

Friday 16th July

CAE

CAE is your training partner. Every day your challenge is to achieve better preparation of your forces on reduced budgets.

With over 50 years in military simulation and training, no other company can match our focus, experience and technology excellence.

CAE gives you best-value training with a single objective: prepare your forces to enter any situation with total confidence.

Essential Training

Using the world's most advanced simulation technology, CAE can provide military forces with fully integrated training solutions. Our solutions range from a complete suite of products to the ability to deliver a turnkey training service. Our Medium Support Helicopter Aircrew Training Facility is a perfect example of CAE's training capabilities. At RAF Benson, we offer an unparalleled training standard to worldwide operators of the Chinook, Puma, and Merlin helicopters. CAE is your training partner for delivering the essential edge in readiness.
