Essential Training

Using the world's most advanced simulation technology, CAE can provide military forces with fully integrated training solutions. Our solutions range from a complete suite of products to the ability to deliver a turnkey training service. Our Medium Support Helicopter Aircrew Training Facility is a perfect example of CAE's training capabilities. At RAF Benson, we offer an unparalleled training standard to worldwide operators of the Chinook, Puma, and Merlin helicopters. CAE is your training partner for delivering the essential edge in readiness.
